

August 10, 2018

Happy Friday everyone -- only 10 more sleeps (not counting weekends) until the first day of school.

I just wanted to inform everyone that due to technical difficulties beyond my control, PowerSchool will **NOT** be up and running until **Wednesday, August 15, 2018**.

1. If you have forgotten your password, please use the reset option on your sign in page, and reset your password.
2. Please do not bombard the office with phone calls. It would be best to email me, (please put **PowerSchool and Class Assignments** in the Subject line).
3. **New families**, I will try to get your password/log-in information for you by **August 16, 2018**.

I forgot the most important thing!

Changes in classroom assignments are very difficult at this time, only very extreme emergency situations will be considered. Thank you for your understanding.

Thank you for your consideration and cooperation. I truly appreciate it.

Sincerely,

Marybeth Okula, Principal
