

Dear Parents,

September 18, 2019

Uniforms - Thank you to all those in compliance with our uniform code. I appreciate your support. With that being said, I am still seeing very short skirts and way too much make up being worn in 7th and 8th grade. Please understand that it is important that we all follow the rules of St. Jane School for a smooth operation of our educational program. A regulated dress code affects a certain calming influence over the behavior and actions of the students. Thank you for your support.

Important Packet – Because 98% of the families returned the packet by 9/13/19 -- I am granting the entire school a N.U.T day on Friday, September 20, 2019! The individual class N.U.T. days will be given out to the teachers that had 100%. I appreciate your attention to this matter.

Lunch Room Volunteers Needed: Please prayerfully consider assisting at lunch. We are in need of parents to assist as lunch monitors from 10:45 a.m. to 1:00 p.m. Monday through Friday. If you are interested, please contact Mr. Timm Schoenfield at librarian@stjaneschool.com or tkchoen@ptd.net. A \$15 stipend is given for each day worked and paid on a monthly basis by check. Thank you for your consideration.

Drills - We will be having a severe weather drill on Thursday, September 19th. Please reinforce with your child (ren) the expected behavior during a drill. Drills save lives! We take drills very seriously. Again, please stress to your child the importance of being quiet and listening during drills. DRILLS SAVE LIVES! A weather drill involves the students locating into the lowest point of the school. So, in actuality in a severe weather situation, we would all probably be home (with the doppler and the forecasting abilities we have), but in case something odd occurred, we should all be prepared to meet in a safe location within the school building. Thank you again for your support.
